ORIENTATION WELCOME MESSAGE

Congratulations on officially becoming a member of our GW family! Your journey to GW begins now. Over the summer you will learn more about what it means to be a GW student, complete the Pre-Orientation Online Module, interact with your future classmates and current students over social media and online, and complete necessary tasks to prepare you for success here at GW. This handbook serves as a guide to help you navigate this transition process over the next couple of months. Stay on track this summer by referring to this handbook often. We cannot wait to meet you soon. Until then, take a moment to learn a little more about your new home!

#ONLYATGW

Located four blocks from the White House, GW students get a college experience like no other. #OnlyAtGW moments are events or experiences that could only happen at GW - few students can wave at the Presidential Motorcade on their way to class, get to meet U.S. Senators around various dining spots on campus, or graduate on the National Mall with the Washington Monument and the Capitol right in front of them. #OnlyAtGW moments are what make The George Washington University experience like no other!

GW FIGHT SONG

Hail to the Buff!
Hail to the Blue!
Hail to the Buff and Blue!

All our lives we’ll be proud to say,
"We hail from GW" (GO BIG BLUE!)
Oh, by George we’re happy we can say,
"We’re GW, here to show the way!"

So raise high the Buff (BUFF!)
Raise high the Blue (BLUE!)
Loyal to GW
You bet we’re
Loyal to GW (FIGHT!)

Brandon Lee,
Student Coordinator,
Orientation Leader Experience

Jaden Jennings,
Student Coordinator,
Social Media and Communication

Izzy Banks,
Student Coordinator,

ACADEMIC CALENDAR

**FALL SEMESTER 2022**

Classes begin:  
Monday, August 29

Labor Day (no classes):  
Monday, September 5

Fall Break/Reading Day (no classes):  
Monday-Tuesday, October 24-25

Thanksgiving Break (no classes):  
Wednesday, November 23 - Saturday, November 26

Last Day of Classes:  
Monday, December 12

Make-Up Day**:  
Tuesday, December 13

Final Examinations:  
Wednesday, December 14 - Thursday, December 22

**SMAPE SEMESTER 2023**

Classes begin:  
Tuesday, January 17

Martin Luther King Day (no classes):  
Monday, January 16

President’s Day (no classes):  
Monday, February 20

Spring Break (no classes):  
Monday, March 13 - Saturday, March 18

Make-Up Day**:  
Tuesday, May 2

Designated Monday*:  
Wednesday, May 3  
*Classes traditionally held on Mondays will be held today to make up for the two missed university holiday Mondays.

Reading Days:  
Thursday, May 4 - Friday, May 5

Final Examinations:  
Monday, May 8 - Tuesday, May 16

Commencement Weekend:  
Thursday, May 18 - Sunday, May 21

Spring Degree Conferral:  
Sunday, May 21

www.gwu.edu/academic-calendar

**This day is held to allow the university and/or an individual faculty member to offer a make-up class for any unanticipated class cancelations or disruptions related to weather, emergencies, or a change to the class schedule. The Provost Office and/or the instructor will provide an update prior to Thanksgiving break (fall semester) and March 30 (spring semester).
By joining the GW community, you are committing to uphold the values and culture shared by all students, faculty, and staff. You are pledging to do your part in upholding academic integrity and to contribute thoughtfully to the community.

**GW VALUES**

**Integrity** - we are honest and fair in our words and actions.

**Collaboration** - we achieve more by engaging others in shared processes and decision-making.

**Respect** - we value people as individuals and treat them with fairness, compassion, and care.

**Excellence** - we achieve distinction through knowledge and innovation.

**Openness** - we are accessible, receptive, and share information freely.

**Diversity** - we value and include people from different cultures, backgrounds, and perspectives in pursuit of our common goals.

**Courage** - we encourage risk-taking, learning from failure, and perseverance in our pursuit of excellence.

**ETHICS MATTER**

GW is committed to maintaining the highest ethical standards in all of our actions. The Code of Ethical Conduct presents the standards of ethical conduct applicable to all persons acting on the university’s behalf. The Code should be used as a general guide in making ethical decisions in all situations. The Code aligns with and complements the GW Values and Service Framework. A list of all policies can be found on the Office of Ethics, Compliance, and Privacy website.

Speak up in the event that you experience actions that are inconsistent with or do not support compliance with GW’s values, ethical standards, policies or the law. Consult the Reporting webpage for more information and resources.

All members of the academic community share the responsibility to secure and to respect general conditions conducive to the freedom to learn, regardless of the mode of interactions, including face-to-face and virtual, digital, or online settings or through electronic media. The university has a duty to develop policies and procedures that provide and safeguard this freedom. The George Washington University believes that the procedures, rights, and safeguards outlined below are indispensable to achieving the goals desired — freedom to teach, to learn, and to search for truth. The primary purpose for the maintenance of conduct in the university setting is to protect the university community and to establish clear standards for civil interaction among community members. The university’s goal, through maintenance of standards set forth in the Code of Student Conduct (Code), is to help students experience democratic citizenship and its attendant obligations and responsibilities.

—Statement on Student Rights & Responsibilities

**AT GW, ACADEMIC INTEGRITY MATTERS BECAUSE:**

- **We create knowledge.** If your discoveries, creations, and conclusions are based on honest research, then those creations make meaningful contributions to the world.

- **We believe in equity.** Students who use unauthorized resources, pay others to do their work, or fail to attribute the work of others are using shortcuts and options not available to everyone and not permitted. This creates an inequitable learning environment. Upholding academic integrity upholds our ideals of equity too.

- **We are scholars in community.** When we know and trust the knowledge of others in our community, we can do even more together.

- **Integrity creates value.** Whether you plan to study business, arts, sciences, or social sciences, your degree will be respected in the wider world. That respect and value depend upon our collective reputation as learners with integrity.
KNOW THE CODE

Before you become a GW community member, you’ll want to know what GW expects of you and what you can expect from GW. The Code of Academic Integrity and the Code of Student Conduct (both available at studentconduct.gwu.edu) provide the expectations for GW students’ behavior both in class, out of class, and online.

I’M A GOOD PERSON, I PROMISE. WHY SHOULD I READ THE CODES?

• Do you want to study abroad, work on campus, or be an elected student leader? Those opportunities depend upon being in good standing with the Codes.

• Know your rights. The Codes don’t just tell you what to do, they provide information about your rights and options if you’re accused or if someone harms you.

• Whether you’re from the D.C. area or halfway around the world, GW will be a new culture with different expectations to learn about issues like marijuana, academic citations, and discrimination.

• You’re civically engaged. Looking forward to protesting, read the Codes to learn how it applies to your conduct off-campus and how it supports your rights to free expression.

• You want to join the University Hearing Panel, a group of students trained to resolve the university’s most serious allegations. Read up before you apply.

WHAT ARE THE MOST IMPORTANT DECISIONS I CAN MAKE TO STAY IN GOOD STANDING?

• Avoid alcohol and other drug violations—the most common Code violations. If you’re under 21, alcohol use/possession is prohibited. Marijuana and other drugs are prohibited on campus.

• Be kind and inclusive. Enthusiastic disagreement and difference are an important part of civic engagement at GW. Disorderly conduct, harassment, and discriminatory misconduct are prohibited.

• Plan ahead. Most students who commit academic integrity violations didn’t plan to do that—they got behind and took a shortcut. Time management is a key skill in college and the Library and Academic Commons can help you improve.

• Talk to your professor. Not understanding class expectations for collaboration and citation is also a regular issue with academic integrity cases. If you’re not sure, ask your instructor.

WHAT IF I GET IN TROUBLE ANYWAY—SHOULD I JUST PACK MY BAGS?

Almost certainly not. College is about learning academics and how to be a positively engaged citizen. Student Rights and Responsibilities will reach out, share the incident report, and help you understand your rights and options to respond. You can reach out to us anytime.

studentconduct.gwu.edu | rights@gwu.edu | 202-994-6757
BEFORE YOU ARRIVE

A STARTING POINT FOR ALL YOU NEED TO KNOW AND DO OVER THE SUMMER AND LEADING UP TO THE START OF THE ACADEMIC YEAR.
NEXT STEPS | TASKS TO COMPLETE
& THINGS TO KNOW

UPON DEPOSIT:
Bookmark your admitted student portal (go.gwu.edu/portal) and login to review and complete the following tasks located in Next Steps:

a. **Claim your NetID** and password for your GW email. You will need your GW email not your personal email to complete class registration, housing and other requirements.

b. Send us your transcripts: First-year students must send final high school transcript, and if applicable, AP or IB scores. Transfer students must send final transcript from previous college. All transcripts are sent to Undergraduate Admissions at gwadm@gwu.edu.

c. Register for New Student Orientation.

d. Once registered for Orientation, scroll down to register for a class registration date and time. Note: First-year students register in August, transfer students register upon deposit (except in the School of Engineering).

e. Fill out the **GW First Year Academic Interest Survey**. Results from this quick 5-minute survey will be used to assist your advising during virtual advising sessions.

f. Register for on-campus housing. We anticipate registrations opening the week of May 16 and will send more information in early May. The Transfer housing application will open in June, check back on the **Transfer Move-In webpage**.

SUMMER CHECKLIST (MAY - AUGUST):

☐ **Complete the Pre-Orientation Online Module.** In May and June, you will complete section 1 & 2 prior to signing up and attending a first-year group advising webinar. We will remind you via email to complete other sections throughout the summer. Note: All incoming transfer students can register for classes upon deposit (except in the School of Engineering and Applied Science).

☐ **If you are a student with a documented disability, register with Disability Support Services at disabilitysupport.gwu.edu.** It is best to provide documentation as soon as possible to avoid delays in the implementation of accommodations. Accommodations are not retroactive. Submit documentation and schedule a meeting with a DSS representative early to complete the registration process.

☐ **Submit a photo for your GWorld card (GW student ID).** An email will be sent to you from the GWorld Card Office.

☐ **Register for a co-curricular program (first-year students only).** Registration is available in late May. Learn more about program offerings on our website and in this Book. See page 14 to learn more about these program offerings.

☐ **Submit mandatory health immunization form** to the Colonial Health Center medical portal (mychc.gwu.edu) by August 1.

☐ **Upload your COVID-19 vaccine and booster documentation** to the CHC medical portal.

☐ **Review Student Health Insurance Plan (SHIP) and decide to enroll or waive** participation. The waiver period is August 1 - September 12.
Create a profile and login to GW Engage (go.gwu.edu/gwengage) to browse over 500+ student organizations and to find upcoming events.

Complete other online modules & trainings. All new students are required to complete AlcoholEdu for College Students, Sexual Harassment Prevention Training and Workshops - Title IX, and Diversity, Equity & Inclusion Online Educational Module and shared via email. More details can be found in this book and via email later this summer.

Regularly check your GW email and admitted student portal - this will be our primary way of communicating with you throughout the summer.

COMMUNICATION OVER THE SUMMER

Next Stop, GW! is an electronic newsletter providing timely and relevant information, dates, deadlines, and reminders required to complete over the summer, before, and upon arrival to GW. In addition, this communication tool provides an introduction to important campus resources, campus living and learning, and overall student life. Be sure to check your email inbox for this newsletter throughout the summer leading up to move-in and Orientation.

Here’s what else you can expect for email communication between May and August:

- Introduction to academic schools and undergraduate advising teams
- Preliminary invoices issued by Student Accounts (emailed to student GW email)
- Information about advising and class registration
- Move-in and Orientation information
- Reminders about immunization forms, Student Health Insurance Plan (SHIP), and more!
NEW STUDENT ORIENTATION

New Student Orientation aims to aid in the academic, personal, social, and cultural transition of new undergraduate students and their families to the GW and D.C. community. New Student Orientation is a week-long experience consisting of co-curricular programs, academic sessions, social activities, and opportunities to explore campus and the city. Events and activities are both online and in-person.

PRE-ARRIVAL ENGAGEMENT

Over the summer you will receive communication from us and have opportunities to engage online with current and new students in real time.

a. Pre-Orientation Online Module - information geared toward acclimating you to GW and equipping you with resources to be successful. We’ll provide guidance on sections to complete throughout the summer to stay on track.

b. Transition Tips - a video series covering common transition topics and offering tips and tricks from current students, sent every other week to your email inbox over the summer leading up to move-in and Orientation.

c. Tuesday Talks - a webinar series for new students and family members focused on acclimating you to GW resources, processes, and requirements in a live virtual environment. Campus partners will cover topics such as how to read and pay your e-bill, how dining at GW works, details about the Student Health Insurance Plan, and more.

d. Real Talk GW - student-driven and designed, Real Talk GW is a podcast-like series with current GW students discussing topics related to the student experience. Tune in on Instagram Live @StudentLifeatGW!

e. Affinity Chats - an extension of our student-led conversation Real Talk, Affinity Chats provides new students with opportunities to engage with affinity-based community groups across GW in an unfiltered, informative live session through Instagram. Tune in on Instagram Live @StudentLifeatGW!

f. Orientation Virtual Small Group Meetings - a “small group” is a group of about 15-25 new incoming students assigned to a current GW student called an Orientation Leader (OL). You will meet virtually beginning in May.
ORIENTATION SNAPSHOT
Orientation programming will be hybrid (online and in-person, as permitted)
Halfway to GW (Virtual Orientation Sessions that are intended to prepare you for arrival in August):

Orientation Week (In-person sessions intended to introduce you to campus and help new students to find community): Wednesday, August 24 - Sunday, August 28

Here’s a summary of what to expect:
• Opportunities to learn more about getting involved in campus life, campus resources, and the D.C. community.
• Opportunities to get to know your peers and learn more about your residence hall community.

Your Orientation Leader will be reaching out to you soon. Orientation Leaders or “OLs” are current students who are selected to serve as guides to incoming students. They are your go-to for what it’s like to be a student at GW and have been training for months to support you through this experience. You will meet virtually with your OL and fellow small group members beginning in May.

Learn more about this year’s O-Team!

STAY INFORMED THIS SUMMER
Keep an eye on your GW email inbox for Next Stop, GW! email newsletters and other details leading up to move-in and Orientation. Follow us on social media @StudentLifeatGW (Instagram, Facebook, Twitter, TikTok) to stay up-to-date on the Orientation program, get connected to campus, and for your chance to win prizes all summer long!

For the latest, go to our orientation site (go.gwu.edu/orientation).
New students will have the option to select a move-in date and time between **Saturday, August 20 - Tuesday, August 23**. More details, including how and when to sign-up for a move-in date and time will be provided by mid-June, after the conclusion of the fall housing selection process, via email from living@gwu.edu. More information about residence halls is located in the Living On-Campus section of this book!

**What to Bring:**
This is a short list of what to bring to campus. A more detailed list will be provided at a later date.

- Toiletries, prescription medication, first aid kit, cleaning supplies, fan, desk lamp
- Detergent, dryer sheets, drying rack
- Full-length mirror, posters, throw rugs, calendar, message board
- Reusable utensils, dishes, and food containers, reusable grocery bags, reusable water bottle
- Sheets (twin XL*), towels, pillows, blankets, mattress pad, mattress cover, and laundry bag
  *Beds in JBKO Hall are regular size twin.*
- Computer, cell phone, headphones, power strip w/ surge protector
- Thermometer, mask, Clorox and Lysol products

Learn more at [living.gwu.edu/what-bring-campus](http://living.gwu.edu/what-bring-campus).
What is included:

• Twin XL (80”) mattress
• Microwave and refrigerator
• Wireless Internet
• Adjustable height bed frame, desk, desk chair, dresser and closet
• One trash bin per student

What Not to Bring:

• Candles, halogen lamps, lanterns/oil lamps, and flammable liquids
• Non-surge protected extension cords
• Weapons, chemical mace, pepper spray, fireworks
• Hazardous material
• Live animals (exception for ADA service animals and university approved emotional support animals)
• 3D printers
• Cooking appliances in non-cooking areas. Also, microwaves and refrigerators - each room is supplied with these already.
• Alcohol or other drugs, including marijuana, which is prohibited on campus
• View the full list on the Safety & Security website.

GETTING TO CAMPUS

GW is conveniently located near three major airports (DCA: Ronald Reagan Washington National, IAD: Washington Dulles International, and BWI: Baltimore Washington International) and D.C.’s Union Station. Public transit is available from each airport and train station. The Foggy Bottom/GWU Metro Stop is located right on campus, with service to the Orange, Blue, and Silver Metro lines.
FIRST-YEAR
CO-CURRICULAR PROGRAMS

GW Co-Curricular Programs are offered after move-in and during Orientation Week and ensure first-year students can connect with peers around a shared identity, specialized topic, or common area of interest. GW Co-Curricular Programs for first-year students are designed and hosted by a variety of offices across campus, including The Office of Student Life, GW Hillel, The Women’s Leadership Program, the Office of Diversity, Equity and Community Engagement, and more. GW Co-Curricular Programs provide meaningful connections through immersive cohort-based experiences and allow students to explore and discover more about themselves, their new peers, and their new home in Washington, DC. The size of programs vary.

Please note: some first-year students are assigned to a Co-Curricular Program automatically based on academic or learning community affiliation. Transfer students do not participate in Co-Curricular Programs.

More details, including registration information, can be found on the Co-Curricular Program page. Registration opens in June. Be sure to monitor your GW email for updates.

Adventures Bound
Adventures Bound allows new students to meet their peers, learn more about life at GW, and build lasting memories in the great outdoors. After move-in and a trip orientation, participants will travel off-campus to explore more of what the DC region has to offer. This unique experience offers students the opportunity to participate in a range of activities such as hiking, kayaking, biking, backpacking, whitewater rafting, and paddleboarding. Specific trip details will be provided closer to registration. Fees are associated. For questions, email studentlife@gwu.edu.

Founding Scholars
Founding Scholars welcomes incoming first-generation college students to life at GW. Students will build community with other first-gen students, connect with faculty and staff, and learn about valuable academic and campus resources. The George Washington University formally defines first-generation college students as those whose parents did not complete a four-year, baccalaureate degree. We also recognize that there are many definitions for what it means to be a first-gen college student and welcome participants who identify with the definition in any way. Fees are associated. For questions, email studentlife@gwu.edu.

GW Hillel’s LaunchPad D.C.
LaunchPad D.C. offers incoming first-year students a unique opportunity to start one’s experience with Jewish life at GW. Fees are associated. Registration will be available on the program webpage in June. For questions, email adena@gwhillel.org.
Institute for Citizen Leaders (ICL) (Admissions scholar cohorts)
Institute for Citizen Leaders (ICL) is hosted by units across GW’s Office for Diversity, Equity and Community Engagement (ODECE) that explores the intersections of community engagement and diversity, preparing students for their roles as leaders in community and civic engagement both on campus and in the D.C. community. Registration will be available on the program webpage. For questions, email icl@gwu.edu.

First-year students in the following scholar cohorts should register for this program: Chicago Scholars, Cisneros Hispanic Leadership Institute, Civic House, District Scholars, IMPACT/Yes Prep, Posse, Say Yes to Education, Stephen Joel Trachtenberg/SJT Scholars, Politics and Values.

International Students
Upon your arrival to GW, the International Services Office (ISO) offers events to help you get familiar with GW, explore D.C., and make friends. Learn more and sign-up for events you’re interested in attending! For questions, email iso@gwu.edu.

LEAD GW
LEAD GW (Leadership Exploration and Development at GW) is a dynamic program that empowers students to learn more about themselves, socially responsible leadership, and their new home. Participants attend leadership workshops, participate in small group activities, and explore GW and D.C. Incoming students are paired with upper-class guides who mentor, share resources, and provide personal insights into involvement and leadership at GW. Fees are associated. For questions, email studentlife@gwu.edu.

SEAS New Student Experience/The Getaway (School of Engineering and Applied Science first-year students)
The New Student Experience/The Getaway provides incoming first students with the opportunity to create close bonds with their peers and upper-class mentors as well as get to know some of the faculty and staff here to support them all before the start of the semester. Program information will be shared via email over the summer. For questions, email seasadvising@gwu.edu.

University Honors Program (UHP)
The University Honors Program offers a distinctive academic experience. Join your fellow UHP peers and learn more about what to expect in your first year, connect with faculty and staff who support the program, and get to know other members of your cohort. Program information will be shared via email over the summer. For questions, email uhp@gwu.edu.

Women’s Leadership Program (WLP)
The Women’s Leadership Program brings together women of four different cohorts to learn more about program offerings, connect with faculty and staff who support the program, and provide space and opportunity for relationships to form. Program information will be shared via email over the summer. For questions, email wlp@gwu.edu.
ACADEMICS

AN OVERVIEW OF AN UNDERGRADUATE EDUCATION AT GW, ADVISING BY SCHOOL, CLASS REGISTRATION, AND ACADEMIC SUPPORT RESOURCES.
UNDERGRADUATE ACADEMIC SCHOOLS: SNAPSHOT

Columbian College of Arts and Sciences (CCAS) – Our oldest and largest college, Columbian is home to both generalists and specialists. At Columbian, we emphasize perspective, analysis, and communication; encourage collaboration with external partners; and inspire lasting change.

Corcoran School of the Arts and Design (CSAD) – The Corcoran School embodies what Columbian has defined as the “engaged liberal arts” by providing a platform for engagement, bridging creative expression and practical application, linking disparate fields, and preparing students for rich and multi-dimensional careers. We challenge students to investigate how art functions as a form of creative and intellectual inquiry. CSAD is a school within the Columbian College of Arts and Sciences.

School of Media and Public Affairs (SMPA) – SMPA is a trailblazer in the study of political communication, journalism, and media. Graduates of the SMPA program are leaders in advocacy, politics, business, and journalism. Students engage with the world around them through internships and access to decision-makers, community leaders, and power brokers. SMPA is a school within the Columbian College of Arts and Sciences.

Elliott School of International Affairs (ESIA) – When you study international affairs at Elliott, you won’t just study it, you’ll experience it. You’ll understand and engage with the world, building knowledge of economics, history, political science, and relevant areas of anthropology and geography.

School of Business (GWSB) – A GWSB education empowers students to explore and experience the global business environment, forge community connections, and gain leadership experience. Students are challenged to become forward-thinking and inclusive business leaders through co-curricular learning in the Business Leader Development Program. Students are also supported in preparing for a competitive job market through student organizations, case competitions, networking events, industry panels, and dedicated resources from our very own career center.

School of Engineering and Applied Science (SEAS) – SEAS strongly supports co-curricular activities to broaden and deepen its students’ overall educational programs. The school also offers a highly collaborative approach that enables students to cultivate expertise while leveraging the unique experience of being in the nation’s capital.

Milken Institute School of Public Health (GWSPH) – We advance population health, well-being, and social justice locally, nationally, and globally by applying public health knowledge to enhance policy, practice, and management; conducting rigorous, basic, applied, and translational research; and educating the next generation of public health leaders, policy makers, practitioners, scientists, advocates, and managers.
UNDERGRADUATE EDUCATION AT A GLANCE

An undergraduate education at GW provides you with a wide range of opportunities to pursue both professional and liberal arts degrees. These degrees ensure that you leave the University with a body of knowledge that shows a depth of understanding in at least one field. In addition, the General Education Requirement that is common to the education of students in all schools of the University, ensures that you develop key analytical abilities that transcend disciplinary boundaries. These analytical abilities provide you with cornerstones for your personal development, civic consciousness, and successful careers.

To earn an undergraduate degree, you must:

- Complete at least 120 credits,
- Fulfill the University General Education Requirement (Tier One),
- Fulfill school-specific general education and distribution requirements (Tier Two), and
- Fulfill the requirements of at least one major in their home school (Tier Three).

TIER 1: UNIVERSITY GENERAL EDUCATION curriculum trains you to engage in active intellectual inquiry across a variety of disciplines by developing a range of analytical skills, including critical thinking, quantitative reasoning, and scientific reasoning.

<table>
<thead>
<tr>
<th>COLUMBIAN COLLEGE OF ARTS &amp; SCIENCES (CCAS)</th>
<th>ELLIOTT SCHOOL OF INTERNATIONAL AFFAIRS (ESIA)</th>
<th>GW SCHOOL OF BUSINESS (GWSB)</th>
<th>MILKEN INSTITUTE SCHOOL OF PUBLIC HEALTH (GWSPH)</th>
<th>SCHOOL OF ENGINEERING &amp; APPLIED SCIENCE (SEAS)</th>
</tr>
</thead>
</table>

Required to take five Tier One courses (for a total of 15 to 16 credits) in a range of disciplines drawn from the social sciences, humanities, natural or physical sciences with a laboratory component, and mathematics or statistics. (In some cases, these courses may be used to satisfy school-specific requirements and/or major requirements).

Within the General Education requirements, you must also fulfill the writing requirement, which consists of three courses: UW 1020 University Writing and two Writing in the Disciplines (WID). WID courses are designated with a ‘W’ appended to the course number. WID courses may also fulfill general education, distribution, school-specific, or major requirements, if the courses are designated for that purpose. UW 1020 must be completed prior to taking any other WID courses; WID requirements must be taken in separate semesters. You should check with your school and/or departments to determine which courses may be double counted in either instance (writing requirement and general education requirements).

CCAS - Within the General Education requirements, you must also fulfill the writing requirement, which consists of 10 credits: 4 credits of UW 1020 University Writing and 6 credits of Writing in the Disciplines (WID).

Attention School of Engineering and Applied Science (SEAS) first year students: You will be registered for fall courses in advance by the SEAS advising team. Therefore, you do not need to register for an online class registration session. For questions about the process, please first consult Section 1: Academic Advising & Class Registration of the Pre-Orientation Online Module. If additional questions remain do not hesitate to contact the SEAS advising team at seasadvising@gwu.edu.
## Tier 2: School-Specific General Education and Distribution Requirements

**COLUMBIAN COLLEGE OF ARTS & SCIENCES (CCAS)**
Required approximately 9 to 18 credits to satisfy remaining General Education Requirements in a variety of disciplines and with respect to global perspectives, civic engagement, and oral communication.

**ELLIOTT SCHOOL OF INTERNATIONAL AFFAIRS (ESIA)**
Required a minimum of 19 credits. These credits are included within the school’s introduction to the major requirement, which includes the ESIA IAFF 1001 First-Year Experience.

**GW SCHOOL OF BUSINESS (GWSB)**
Required to complete the Four Year Development Program, which consists of taking BADM 1001 First-Year Development Course I, BADM 1002 First-Year Development Course II, BADM 3001 Career Management Strategy, and BADM 4001 Leadership and Career Launch.

**MILKEN INSTITUTE SCHOOL OF PUBLIC HEALTH (GWSPH)**
Required to take PUBH 1101 Introduction to Public Health and Health Services.

**SCHOOL OF ENGINEERING & APPLIED SCIENCE (SEAS)**
Required to take SEAS 1001, three additional social science and humanities courses, two additional mathematics courses, two additional science courses to provide adequate grounding for engineering and computer science training.

Depending on your major, bachelor of science (BS) students have additional requirements in mathematics & science.

In addition to taking both SEAS 1001 and a department specific seminar course, each SEAS major must complete a series of non-technical areas of study. Of these courses, at least two (6 credits) must be from the Critical Thinking in Social Science list and at least one course (3 credits) from the Critical Thinking in Humanities list of the University General Education Requirement. The remaining courses must be chosen from an approved list, or approved by the advisor, and satisfy specific departmental requirements.

You should continue to consult the Bulletin (see table on page 21 for more on the Bulletin) for school and major requirements across all schools, as well as communicate with your advisor.

All first-year students in the School of Engineering and Applied Science (SEAS) will be registered for fall courses in advance by the SEAS advising team. Therefore, you do not need to register for an online class registration session. For questions about the process, please first consult Section 1: Academic Advising & Class Registration of the Pre-Orientation Online Module. For incoming transfer students in SEAS you will need to meet with a faculty advisor and complete the undergraduate advising form before you are able to register. You will receive more information via email about next steps. If additional questions remain do not hesitate to contact the SEAS advising team at seasadvising@gwu.edu.
TIER 3: MAJOR-SPECIFIC EDUCATION varies by school. All schools require you to select a major and successfully complete the courses needed to fulfill degree requirements for that major.

WHAT IS ACADEMIC ADVISING?
Academic advising is the process between the student and an academic advisor of exploring academic interests, reviewing degree requirements and curriculum, and discussing career paths and plans. Your academic advisor is there to help you navigate your academic career while keeping you on track to graduate on time.

ACADEMIC SCHOOL ADVISING MODELS: OVERVIEW

Columbian College of Arts & Sciences (CCAS) (also includes Corcoran School of the Art and Design and School of Media and Public Affairs) uses a "POD" or Place of Discovery, advising model. You are assigned a POD based on your last name and there are several advisors in each POD. You have the option to continue seeing the same advisor each time or see a variety of advisors to capitalize on each advisor’s specific area of expertise.

POD 1: last names A-G, POD 2: last names H-N, POD 3: last names O-Z

Elliott School of International Affairs (ESIA) assigns you to an academic advisor based on last name. There are 10 academic advisors and each has a section of the alphabet. ESIA also offers peer advising, current students who assist in the teaching of First Year Experience (IAFF 1001) and provide guidance to you as new students. ESIA also offers a pre-law advisor.

GW School of Business (GWSB) operates on an open-team advising model, which allows you to work with any available advisor during business hours. If there is a specific advisor you like working with, you can continue meeting with this advisor during your time at GW or you can meet with the first available advisor when needed.

Milken Institute School of Public Health (GWSPH) has a three-person professional advising team and assigns you to an academic advisor based on last name.

School of Engineering and Applied Science (SEAS) assigns you two advisors based on major, a professional advisor and a faculty advisor. As a first-year student, you will be assigned a professional advisor at the start of your experience, then transitioned to a faculty advisor at the end of your first year. For transfer students, you will be assigned both your professional and faculty advisor at the start.

PRE-PROFESSIONAL ADVISING
If you’re interested in pursuing a career in health care or exploring the decision to attend law school and enter a legal career, there is pre-health and pre-law advising available. More information is available in the Pre-Orientation Online Module.

You will learn more about your school’s advising team, your role in the process, and how to best leverage the relationship as you prepare for the start of the semester and complete tasks this summer.

FIRST-YEAR VIRTUAL GROUP ADVISING
After completing Section 1: Academic Advising & Class Registration (and Section 2, if applicable) in the Pre-Orientation Online Module, you will be prompted to register for a first-year group advising webinar.
CLASS
REGISTRATION

You will register for classes on a designated date and time online in August before participating in Orientation (that you pick!) You must register for a time slot in order to be provided access to the registration system.

**FIRST-YEAR CLASS REGISTRATION DATES**

- August 4, 1 - 3 p.m. ET
- August 5, 8 - 10 a.m. ET
- August 6, 9 - 11 a.m. ET
- August 8, 6 - 8 p.m. ET
- August 9, 2 - 4 p.m. ET
- August 10, 10 a.m. - 12 p.m. ET

**TRANSFER REGISTRATION**

- Transfer students will be able to register on a rolling basis starting in late May shortly after Undergraduate Admissions confirms their deposit and the student is assigned to a school/college.

**Note about seats in classes:** There is an equal distribution of courses and class seating availability among all registration times. Select a date and time that works best for your schedule—there is no advantage for signing up for an earlier date and time.

**SIGN-UP FOR A CLASS REGISTRATION DATE & TIME**

- Login to the admitted student portal (go.gwu.edu/portal) using your personal email and password.
- Scroll down until you see Next Steps.
- Click on Register for New Student Orientation.
- Once registered for Orientation, you will see a section called Preparing for Your First Year - scroll until you get to Academic Advising and Online Class Registration.
- Scroll down to sign-up for an Online Class Registration Session, then locate your academic school.
- Click on a date and time under your academic school to reserve your spot.
- Mark your calendar and save your confirmation email! (Goes to your GW email address)

**Note:** The event will come up as “closed” if there are no more spots available for your academic school on that date. If this happens, select another date.
**HOW CLASS REGISTRATION WORKS**

**Attention School of Engineering and Applied Science (SEAS) students:** You will be registered for fall courses in advance by the SEAS advising team. Therefore, you do not need to register for an online class registration session. For questions about the process, please first consult Section 1: Academic Advising & Class Registration of the Pre-Orientation Online Module. If additional questions remain do not hesitate to contact the SEAS advising team at seasadvising@gwu.edu.

On your fall registration **date and start time** login to **GWeb** using your GW email address and password. Even though you have a two-hour window, you want to login at the start of the time frame.

As you prepare for Fall Registration, we encourage you to update your contact information, including your cell phone number and current address. You can do this by logging in to GWeb, and navigate to the “prepare for registration” link under the Records and Registration menu.

**Note:** prior to the date and time of your registration, you are encouraged to login to GWeb to ensure you can login successfully. GWeb is accessed via it.gwu.edu/gweb.

Once you are logged in, you will see tabs of information. Click on the **Registration Menu**. More details, including screenshots and instructions about the registration process is available in Section 1 of the **Pre-Orientation Online Module**.
**PREPARING FOR CLASS REGISTRATION**

1. Complete **Section 1 & 2: Academic Advising & Class Registration** of the **Pre-Orientation Online Module (Fall 2022)**. (Note: you can leave your Pre-Orientation Online Module and return to complete it any time before the deadline. Your progress will be saved).

2. Sign-up for a first-year advising webinar within your academic school. Details about virtual advising are available in Section 1 of the Pre-Orientation Online Module.

3. Attend a first-year advising webinar, ask questions, and utilize the resources provided in both the Pre-Orientation Online Module and webinar.

**PLACEMENT EXAMS**

Language, math, economics, and chemistry classes may require placement exams to determine at which level you should start. You must complete the language and/or math placement exams before registering for classes to determine what course best fits your level and schedule.

- **Language**: each foreign language department has a specific exam and/or policy regarding placement. Those with high AP/IB scores and native speakers may have special instructions for which level they should take. For details, visit the [language center website](#).

- **Math and economics**: the ALEKS (Assessment and Learning in Knowledge Spaces) math placement is required for any students who intend to register for ECON 1001, ECON 1011, MATH 1051, MATH 1220, MATH 1231, or MATH 1252. Consult the [Economics department ALEKS webpage](#) and the [Math department ALEKS webpage](#) for more information and to take the test.

- **Chemistry**: general chemistry (CHEM 1111) requires completion of the ALEKS chemistry preparatory course (CPC). This applies to all incoming students intending on pursuing the following academic fields: applied sciences, biological sciences, chemical sciences, computer science, engineering (all majors), physical science (BS only), pre-health sciences (e.g., dentistry, medicine, veterinary medicine, nursing, etc.). For more information and to take the test, visit the [Department of Chemistry’s ALEKS website](#).

**IB/AP/DUAL ENROLLMENT CREDITS**

Submit your IB/AP credit scores directly to GW. For any dual enrollment credits, have your official transcript sent to the Office of the Registrar. See this page for more information about bringing credits to GW. These credits may count toward elective credit, General Education Requirements, major and minor requirements.

More information about placement exams and IB/AP/Dual enrollment credits are included in the Pre-Orientation Online Module.
<table>
<thead>
<tr>
<th>NAME</th>
<th>DEFINITION OF TERM</th>
</tr>
</thead>
<tbody>
<tr>
<td>Add/Drop Period</td>
<td>Marks the start of open class registration for all students. The add/drop period begins the first day of classes and ends two weeks later. This means you can adjust your schedule starting at this time through the first couple of weeks of classes before it’s “final.”</td>
</tr>
<tr>
<td>Bulletin</td>
<td>The Bulletin for the year in which you first enroll includes the degree requirements that will continue to govern your program from your first semester through to graduation. After your first year, your Bulletin will be archived on the current Bulletin website. You should continue to consult it and communicate with your advisor throughout your program. You should consult the current Bulletin as well for information that changes from year to year.</td>
</tr>
<tr>
<td>Credit Hours</td>
<td>The amount of course credits that a student is enrolled in. To be full-time, students must register for at least 12 and a maximum of 18.</td>
</tr>
<tr>
<td>CRN</td>
<td>Course Registration Number; a six-digit number used to register for a class online.</td>
</tr>
<tr>
<td>Dean’s Seminar</td>
<td>A small seminar course offered exclusively to first-year students in Columbian (CCAS) on topics of interest to professors.</td>
</tr>
<tr>
<td>Departmental Approval</td>
<td>A course that requires a department or professor’s approval to sign-up for the class. These courses are typically reserved for juniors or seniors and are not appropriate for first semester students.</td>
</tr>
<tr>
<td>Discussion/Reflection</td>
<td>Usually a 50-minute class meeting run by the class Teaching Assistants (TAs) to help reinforce the material discussed during lecture that week.</td>
</tr>
<tr>
<td>GPAC</td>
<td>General Education Curriculum; general education requirements for Columbian (CCAS) students</td>
</tr>
<tr>
<td>MWF and TR</td>
<td>Indicate when a class meets during the week: MWF = Monday, Wednesday, Friday TR = Tuesday, Thursday</td>
</tr>
<tr>
<td>Prerequisite</td>
<td>Classes required to be taken before you can take a corresponding upper-level class.</td>
</tr>
<tr>
<td>RTF-EZ/RTF Classic</td>
<td>Registration Transaction Form; a form that students can fill out and have signed by a professor and an advisor to register for a class that is full. Note that RTF-EZs and RTF Classics cannot be used to bypass a Waitlist.</td>
</tr>
<tr>
<td>UW</td>
<td>University Writing; introductory writing course required for all undergraduate students, which is typically taken in the first year.</td>
</tr>
<tr>
<td>Waitlists</td>
<td>A virtual list offered at a professor’s discretion of students waiting to register for a full class. If a spot becomes available, students have 24 hours to accept the spot before it’s offered to the next person on the list.</td>
</tr>
</tbody>
</table>
ACADEMIC SUPPORT RESOURCES
GW LIBRARIES AND ACADEMIC INNOVATION

Highlights of GW Libraries:
• Quiet and group study available with a variety of spaces to meet your preferences. Check library.gwu.edu for hours.
• Research materials and assistance available in-person and online at library.gwu.edu. Distance students can have print materials mailed to them at no charge.
• CREATE digital studio offers professional-level AV equipment and computers for editing as well as workshops and individual advice in multimedia software.

Libraries available to all GW students:
• Gelman Library (Foggy Bottom campus)
• Eckles Library (Mount Vernon campus)
• Virginia Science and Technology Campus Library

ACADEMIC COMMONS

Academic Commons is a one-stop shop for all academic services and resources available at GW. Visit academiccommons.gwu.edu or find us at the Ask Us Desk.

Tutoring and Review Sessions:
Course-specific peer tutoring and review sessions are free for GW students through Academic Commons. Find your course and make an appointment at go.gwu.edu/tutoring.

Writing Help:
Dedicated attention to writing and research projects at all stages of the writing process is available through The Writing Center. Make an appointment (recommended) at writingcenter.gwu.edu.

Research Assistance:
Personalized help in strategizing and finding resources for any project or paper is available by appointment at go.gwu.edu/consultations.

Study Skills for Virtual & In-Person Learning:
Learn to better manage your time, improve your note taking skills, or get organized with information and videos, many made by GW students, at academiccommons.gwu.edu/study-skills.

Workshops and Consultations:
Free workshops and consultations are available in programming, coding, data organization, statistical analysis, Adobe Creative Suite, Geographic Information System, and more at go.gwu.edu/libworkshops.

Undergraduate Research:
Get hands-on experience in your field of interest by participating in the undergraduate research opportunities available on researchcommons.gwu.edu.

Be sure to check out academiccommons.gwu.edu to learn about academic services and resources available throughout the university.
STUDENT SUPPORT SERVICES

LEARN MORE ABOUT FINANCIAL AID AND BILLING, DINING, THE HEALTH CENTER, AND OTHER USEFUL SUPPORT SERVICES AVAILABLE TO STUDENTS.
STUDENT ACCOUNTS AND FINANCIAL AID

PAYMENT PLANS

GW’s Office of Student Accounts offers several ways to pay semester fees, including tuition, room, board, and insurance charges. View all methods at studentaccounts.gwu.edu/how-pay.

GW offers a monthly payment plan that splits semester charges into four equal monthly payments. This plan has an application fee and is interest free as long as monthly payments are paid in full and on time. Payments must be scheduled on the 10th of each month from July through October for the fall semester, December through March for the spring semester, and April through June for the summer semester. Enrollment is required for each semester in which you participate in the plan. If your parent or guardian is making payments on your behalf, please provide them access to your account using the link on the plan website. View details at studentaccounts.gwu.edu/monthly-payment-plan.

FERPA POLICY

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to schools that receive funds under an applicable program of the U.S. Department of Education.

Once enrolled at GW, students have the right to inspect and review their own education records, as well as designate who has access to their student records outside of GW.

We encourage you to have conversations with your family members about FERPA prior to arriving in August. You can access the Student Consent for Release of Information to Parents/Third Parties form (go.gwu.edu/ferpa) via the Registrar’s website.

PLANNING FOR FINANCIAL AID FOR 2022-2023

To apply for financial aid, students must submit a Free Application for Federal Student Aid (FAFSA) and supporting documents for each year of enrollment (first-year students should submit a FAFSA by March 1 to apply for aid for their sophomore year). Please note that undergraduate students must be degree-seeking in order to qualify for financial assistance. Most institutional sources of funding require full-time status (12 or more credits) each semester.

Eligibility for need-based financial assistance is based on the student’s demonstrated need on the financial assistance application. The need may be funded by institutional and federal grants, scholarships, and federal loans. While GW offers significant amounts of need-based aid, we are not able to fund 100% of need. Some families also utilize the monthly payment plan or additional federal and/or private alternative loans to supplement the awards that are offered.

Need-based awards are not guaranteed every year and must be applied for by the March 1 deadline for the following academic year. For step-by-step instructions, please see financialaid.gwu.edu.

For all your financial aid, billing, and registration needs, please reach out via phone or email to Student Services Hub, which is GW’s customer service organization bringing together the offices of Student Financial Assistance, Student Accounts, and Registrar in a friendly, centralized, service-culture setting.

The Student Services Hub is located on the Ground Floor of the University Student Center.
DINING AT GW

At GW, our Meal Plans are designed to fit your unique needs and provide a complementary experience while attending GW. With flexibility, convenience, and value in mind, the options listed below provide students with all-you-care-to-eat meals at any of the dining halls in Thurston and Shenkman on the Foggy Bottom campus, as well as The Eatery at Pelham Commons on the Mount Vernon Campus. We are excited to launch our new residential focused dining spaces that will provide made-to-order, culturally diverse offerings, and allergen-friendly concepts to the GW community.

Students can expect to see a variety of food options such as vegan, vegetarian and allergen-free, and all dining services will prioritize sustainability in their food-serving practices. GW’s student athletes can expect a dining program that provides training meals through an athletics-focused performance food hub that would also be available to all GW students.

All students residing in residence halls are required to purchase a Meal Plan. You will have an opportunity to choose your meal plan at the same time that you apply for housing.

THE FUTURE OF DINING AT GW

As we reopen Thurston Hall in fall 2022, students on the Foggy Bottom Campus will experience a new way to eat on-campus as we introduce unlimited, all-you-care-to eat meal plans and several new dining halls in the residence halls.

UNLIMITED MEAL PLAN DINING: 2022-2023

Unlimited access to our all-you-care-to-eat meals at the dining halls in Thurston or Shenkman on the Foggy Bottom campus, as well as the Eatery at the Pelham Commons on the Mount Vernon campus. In addition, students are permitted to use up to 2 meal equivalency swipes per week at Chick-fil-A on the Foggy Bottom Campus and Buff & Brew Coffee and Tea Bar at the Mount Vernon Campus.

Your Dining Dollars may be used at all GW Dining retail locations: Chick-fil-A, Buff & Brew Coffee and Tea Bar and Kin’s Sushi and participating GWorld vendors.

STAY UP TO DATE WITH GW DINING

Find GW Dining on social media to see the latest news, including vendor updates, meal deals, giveaways, and more: @gwdining on Instagram, Facebook and Twitter.

Have more questions? Check our GW Dining’s FAQ page dining.gwu.edu/frequentlyasked-questions, or send us an email at dining@gwu.edu.
THE STORE

Founded in 2017 to address student food insecurity, The Store is a student-run food pantry that is managed by The Store student organization and the Division for Student Affairs. The Store’s mission is to alleviate food insecurity at GW and provide other resources for students to thrive. The Store provides dry goods, meats, fresh produce, dairy, vegan options, and more to ensure all students have access to the things they need. In addition to food, The Store also provides laptops and iclickers to students each semester, and provides laundry and printing cards, lightly used business attire, household items, toiletries, and menstrual hygiene products.

FOGGY BOTTOM LOCATION
District House Room B121
2121 H Street, NW
Washington, D.C. 20052

MOUNT VERNON CAMPUS LOCATION
2100 Foxhall Road
West Hall B202
Washington, D.C. 20007

GW students interested in accessing the Store may sign up by visiting: studentlife.gwu.edu/store.

TESTIMONIALS:

“As a graduating senior, I would like to thank everyone involved in making The Store possible. It really has made a huge impact on the community and I hope it continues to grow as the years go on. Thank you.”

“This is wonderful. I’m a first-gen student and have skipped meals and survived on oatmeal packets for years. Thank you so much.”

“Thank you so much for the relief you bring me and others when I am on my last penny during the month. Sending me money from home is not easy and I tell my Mom I am fed even though I run on just oats. Thanks for giving me my health and the relief that I won’t go hungry.”
DISABILITY SUPPORT SERVICES

Did you know in college that it is on YOU (the student) to disclose a disability in order to receive accommodations? Don’t worry—we’ve broken it down for you below.

WHAT DO YOU MEAN BY DISABILITY?

Maybe you had a Section 504 plan or IEP in high school? While that is usually indicative of a need to register with us, it is not a prerequisite. You could be someone with a physical, cognitive, mental, or chronic health impairment that substantially limits a major life activity. We must have documentation of an impairment to determine accommodations. Read below to learn more about the information that GW’s Disability Support Services (DSS) Office will need as part of their review and assessment. Also, check out the DSS website for additional details.

The determination of whether a student has a physical, cognitive, medical, or mental health impairment that substantially limits a major life activity (and therefore has a disability) must be made on a case-by-case basis. How do we do that? By examining the documentation you provide! Check the instructions below on the relevant documentation we need.

I WANT TO REGISTER WITH DSS

1. Submit a DSS Registration Form, which includes your supporting disability documentation, via the DSS website. Eligibility criteria for disability-related support services include the below. Please do not submit your Section 504 or IEP plan, as these do not count as verified documentation.

   a. Recent verification of diagnosis prepared by a qualified professional that includes recommendations for reasonable accommodations.
   
   b. Documentation that is current and relevant, substantiates how the condition impacts the student in a postsecondary academic environment, and illustrates a connection between the impact of the disability and the requested accommodation.

2. You will be notified of your eligibility status and will receive a plan of approved accommodations by email (at your GW email address).

3. Once your registration is established, you must attend a session during Orientation to review DSS policies and procedures.

What does DSS offer?

- Assistive Technology
- Alternative Format Text Materials
- Classroom Access
- Housing Accommodations
- Interpreting Services
- Letters to Professors
- Note-Taking Technology
- Test Accommodations

CONTACT DSS: Rome Hall, Suite 102 | 801 22nd St., NW | Washington, D.C. 20052
Telephone: 202-994-8250 | Email: dss@gwu.edu
GW’s Colonial Health Center (CHC) provides multidisciplinary, integrated, student-centered services in a safe, accessible, culturally inclusive, and supportive environment. The CHC seeks to promote healthy lifestyle choices and to holistically support the physical and emotional well-being of students in order to achieve academic success.

**Accessing Services:**
During the academic year, the CHC assists students seeking medical, psychiatric, counseling and psychological services. Doctors and counselors provide in-person treatment in the office Monday-Friday from 8:30 am - 5 pm, ET. As we continue to monitor the pandemic, the CHC also offers tele-health services. Call 202-994-5300 anytime (24 hours a day/seven days a week) to be connected to a medical or counseling provider. Check the CHC website for updates about the center’s operating hours.

**COUNSELING AND PSYCHOLOGICAL SERVICES (CAPS)**
Our counselors provide an environment for students to overcome challenges and difficulties that may interfere with academic, emotional, and personal success. Counseling services are free, confidential, and short-term. Students can access CAPS for support by calling the CHC and requesting to speak with the next available counselor - no appointments necessary. After an initial consultation, counselors and students work together to determine the best course of treatment to address individual mental health needs.

Counselors utilize a multifaceted approach to provide various options for treatment through the Stepped Care Model (as shown below).

![Stepped Care Model Diagram](image-url)
MEDICAL SERVICES

CHC’s medical providers are available to support students’ physical health and well-being. Staffed by a team of physicians, nurse practitioners, physician assistants, psychiatrists, and registered nurses, we offer primary care and urgent care visits.

- Primary Care visits are usually available within 48 hours. Students may schedule a telehealth or in-person appointment by calling **202-994-5300**.

- Urgent Care visits, intended for medical or health issues that require immediate attention when a timely Primary Care appointment is not available, are available on a first-come, first-served basis during clinic hours. Students should notify the receptionist upon arrival. After hours, students on either campus can call our main number **202-994-5300** to get connected to an on-call clinician for either medical services or counseling services.

COLONIAL HEALTH CENTER LOCATIONS

**Foggy Bottom Campus**
University Student Center – Ground Floor
800 21st St., NW, Washington, D.C. 20052
Phone: **202-994-5300** (24/7)

Monday-Friday: 8:30am-5pm
Saturday: noon-4:00pm

**Mount Vernon Campus**
Merriweather Hall
2100 Foxhall Rd., NW, Washington, D.C. 20007
Phone: **202-242-6120**

Sundays: noon-4:00pm

ON-CALL SERVICES

We provide 24/7 counseling care and medical advice to students through an after-hours hotline. Students should call **202-994-5300**. A mental health clinician and advice nurses are both available.
MANDATORY HEALTH INFORMATION

The George Washington University will require students who will attend classes in-person to be up-to-date on their COVID-19 vaccinations, (i.e. fully vaccinated and boosted, if eligible). Any COVID-19 vaccine or booster authorized by the Food and Drug Administration (FDA) and World Health Organization (WHO). will be accepted. Limited exemptions may be granted for medical or religious reasons. Visit onward.gwu.edu to learn how to upload your vaccination documentation. Documentation must be uploaded by August 1.

COVID-19 PROTOCOLS AND PROCEDURES

Please visit GW’s Onward site for the latest information on the university’s public health protocols. The university will continue to monitor the pandemic and will provide updates as needed throughout the summer.

HEALTH IMMUNIZATION FORM: DUE AUGUST 1

ALL new students under the age of 26 must submit proof of immunizations as required by DC Code. Details are available at healthcenter.gwu.edu/immunizations. Visit the Colonial Health Center (CHC) patient portal at mychc.gwu.edu and follow the instructions below:

1. Access the patient portal and sign in with your GW email address (NetID@gwu.edu) and password
2. Click on the “Medical Clearances” tab on the left side of the screen.
3. Under “Medical Clearances” click on the green “Update” button to upload a photo or scan of your immunization record. Please ensure that all documents are legible.
4. Click on each green “Update” button next to each type of immunization and enter in the dates of immunization. You must enter in all of your dates for the required immunizations in order for us to verify your record.
5. Once you have updated all of your immunization dates, a staff member at CHC will review your record. Please check back to see if your immunization clearance was satisfied or not.

For questions, please email immunreq@gwu.edu or call 202-994-5300 (option #3).

STUDENT HEALTH INSURANCE PLAN: WAIVER PERIOD IS AUGUST 1 – SEPTEMBER 12.

In alignment with the Affordable Care Act, the Student Health Insurance Plan (SHIP) guarantees that you can obtain necessary treatment if you develop a serious illness or injury. Domestic undergraduates, international students with a J1 or F1 Visa, on-campus health sciences, and on-campus nursing students will be automatically enrolled in SHIP. Detailed information about the 2022-2023 academic year (August–August) plan, including waiver requirements and waiver steps, will be shared over the summer months via email.

For questions please email ship@gwu.edu and call 202-994-5300 (option #5).
CAREER SERVICES AND STUDENT EMPLOYMENT

OVERVIEW

The Center for Career Services offers a wide range of individualized and customized career education services, including a robust coaching program, convenient online resume and interview review programs and a wealth of diverse events and workshops targeted to the career needs of our students. Particularly for new students and transfer students, we provide resources and support to help you explore your professional interest and gain insights about your future career field. Check out our extensive bank of online resources, and connect with us by scheduling an appointment through your Handshake account!

Student Employment at GW is an option for you to work in a part-time position in which you earn an hourly wage. Positions include Federal Work-Study (FWS) positions with an on-campus department or approved off-campus organizations, as well as Non-FWS positions with an on-campus department. Working in a student employment position during your college years can help you gain a variety of experiences and learn skills to help you succeed in future professional endeavors.

STUDENT EMPLOYMENT FAST FACTS:

- Students typically work between 8-10 hours per week, and are strongly recommended not to work more than 20 hours a week.
- Entry level student positions are paid at $16.10 - $16.60 an hour, but the wage per hour is based on the position type.
- The Student Employment office does not place you in a position. You must apply and interview for posted positions. We cannot guarantee positions for all students, regardless of FWS status.
- You can work at any of the 150+ employing on-campus departments. FWS students can also work at one of 35+ GW approved off-campus FWS organizations.
- Search for jobs by creating an account on the Student Employment Talent Management System, the source for ALL student employment positions.
- Apply early! Most students start their jobs during September and October; it is more difficult to find a position during the spring semester.

WHAT SHOULD I DO TO PREPARE TO WORK AS A STUDENT EMPLOYEE?

- Check out the resources available on the Student Employment Website to enhance your work experience.
- Visit the Center for Career Services’ website for tips on resumes, cover letters, and interviewing skills.
- Watch for emails coming from Student Employment (gwse@gwu.edu) to your GW email account.
- Follow us on Facebook, Twitter, Instagram, and YouTube!
FEDERAL WORK STUDY PROGRAM

Federal Work Study (FWS) is a type of financial aid award that gives you the option to work part-time with a pre-approved employer. You must work to earn the award incrementally - the earnings are not applied directly toward your tuition bill. This year’s FWS program runs from Aug 21, 2022 - April 29, 2023.

Start by creating your Student Employment Talent Management System account at go.gwu.edu/applytostudentpositions. Job postings will begin to be available for all FWS recipients in the Student Employment Talent Management System beginning July 12, 2022.

Note: be sure to use your @gwu.edu email when creating your account.

UPCOMING WEBINARS

Federal Work Study Program Overview
Learn more about the FWS program, including what it means to have an award, how to find positions, and the requirements to work at GW through the program. Students and family members are welcome to join.

• July 6, 5 p.m., Click here to register

Tips
• Apply to positions during the summer. Do not wait until August to begin your search.
• Be prepared to provide a professional resume, check out the Center for Career Services’ website for more information.
• Prepare and upload any required documents (this may require other forms of identification to be available - like a social security card or passport, so plan ahead).
• Carefully complete your application(s).

General questions can be directed via email to gwse@gwu.edu.

The Office of Student Financial Assistance disburses FWS awards. Questions about FWS award money can be directed to finaid@gwu.edu.
SPECIAL POPULATIONS

FIRST-GENERATION STUDENTS

The George Washington University formally defines first-generation college students as those whose parents did not complete a four-year, baccalaureate degree. We also recognize that there are many definitions for what it means to be a first-gen college student.

You are a first-gen student if:

• You identify with the above definition.
• You feel as though you have a similar life experience to those who identify with this definition.
• You’re looking for a place to build community and support that will help you integrate into life here at GW.
• You would like to be an ally and support those who are the first to complete a four-year degree.
• 14% of GW undergraduate students identify themselves as first-gen college students.

First-Gen United (FGU) is GW’s student organization for first-generation college students. FGU believes being first-gen is something to celebrate! The organization focuses on assisting first-gen students on social support, advocacy, and academics. FGU also offers a mentorship program that pairs first-year students with upper-class students. Learn more about FGU on Engage.

MILITARY-AFFILIATED STUDENTS

The Office of Military and Veteran Services provides support and services to GW’s student veterans, dependents, and military personnel through benefit processing, customer service, and community building activities. Over 1,800 students are military-affiliated at GW!

Get Involved

Consider joining GW Veterans (GW Vets), the official student organization for military-affiliated and veteran students. Get support, meet new people, and attend events!

The Office hosts a number of signature events throughout the year including a Veteran’s Day Flag planting during Veterans Awareness Week.

Learn More

Additional resources, such as tutoring services, scholarship information, career services, and how to use your benefits are all available on the Military and Veteran Services website.

Stay Connected

Want to stay up-to-date on activities and information in the military-affiliated community? Send an email to vetserve@gwu.edu to subscribe to the DogTags Newsletter.
STUDENT WELL-BEING

HOLISTIC WELL-BEING IS AN IMPORTANT PART OF THE COLLEGE EXPERIENCE. LEARN ABOUT RESOURCES AND INITIATIVES THAT EXIST TO KEEP STUDENTS HOLISTICALLY WELL.
At GW, we aim to create a community that cares for each other. The CARE Team fosters this goal by creating a pathway through which students who may need additional support can be identified and referred to the most appropriate services. Through the CARE Team, students are given the support they need to persist and succeed at GW and beyond.

The program administrators that lead the CARE Team are also currently managing the GW Cares Student Assistance Fund, a donor-supported fund launched in March 2020 to support students who are in immediate need of temporary, short-term, financial assistance to help cover unanticipated essential expenses that have occurred as a result of the pandemic. There are two emergency funds that provide support for our students. Ron Howard and the GW Cares Fund both are managed by our Student Support team.

HOW DOES IT WORK?

Students, parents, faculty, and staff can identify students that may need additional support through the CARE Team’s online form. The CARE Team is a cross-departmental support system that recognizes that student concerns are often multi-faceted. Students are connected to resources through inter-departmental collaboration to provide them with appropriate and personalized outreach.

Based on the type of support needed, a student is connected to a trained staff member who works with them one-on-one for as long as they may need the help.

WHAT HAPPENS WHEN I SUBMIT A CARE REFERRAL?

When a CARE Referral is submitted, a case manager reviews the information in the referral form, references any past referrals, and makes a determination about who is the most appropriate person to reach out to the student. The CARE Team works with partners in all academic advising offices; Campus Living & Residential Education; the Office for Diversity, Equity and Community Engagement; Disability Support Services; the Office of Military and Veteran Affairs; Counseling & Psychological Services; and Medical & Psychiatric Services among others. The case manager often manages complex or multifaceted cases where multiple offices may need to be involved to most appropriately support the student of concern.

The student then receives outreach from an appropriate campus partner. If you feel that the behavior of the student has persisted following your referral submission, please submit a follow-up referral.

It is important to note that while every CARE Referral that is submitted receives the appropriate outreach and follow-up, we cannot make a student respond to the outreach provided, outside of a threat to self or others.

Access the online form and bookmark it!

For more information, visit studentlife.gwu.edu/care-team
WELL-BEING INITIATIVES: RAISE UP GW

Led by the Health Promotion and Education team, Raise Up GW is a campus-wide initiative dedicated to helping students engage in comprehensive well-being experiences that are supportive of holistic lifestyles. Through this initiative, students will gain an understanding of campus resources and learn how to help others in need.

DIMENSIONS OF WELL-BEING

PHYSICAL | EMOTIONAL | ENVIRONMENTAL | FINANCIAL
---|---|---|---
[Shoe] | ![Smiley Faces] | ![Leaf] | ![Coin]
CULTURAL | SOCIAL | INTELLECTUAL | SPIRITUAL
![Handshake] | ![People] | ![Lightbulb] | ![Sun]

Visit studentlife.gwu.edu/well-being-initiatives and click each well-being dimension for more information about campus and self-help resources.

PEER HEALTH EDUCATORS
The Capital Peers work directly with the Division for Student Affairs to provide health promotion and education to the GW student body through events, workshops, marketing campaigns, and more. Capital Peers serve as educators and role models for GW students related to all things well-being and become nationally certified peer educators through the National Association of Student Personnel Administrators (NASPA) affiliate, BACCHUS Network. Visit go.gwu.edu/GWCapitalPeers for more information.

WELL-BEING CERTIFICATE PROGRAM
The Raise Up GW Co-curricular Certificate program allows students to engage each of the eight dimensions of well-being. Participants will expand their knowledge of well-being, identify ways in which well-being plays an integral role in their success at GW, gain knowledge of on-campus well-being services, and apply what they learn to design a well-being event or initiative. Undergraduate and graduate students are invited to apply for this two-semester program when applications open in the fall. For more information, email wellbeing@gwu.edu or visit go.gwu.edu/RaiseUpCert.
SUBSTANCE EDUCATION AND PROGRAMMING

AlcoholEdu for College - required training

In an effort to reduce negative alcohol-related consequences among GW students, all incoming students are required to complete an online alcohol education course, AlcoholEdu for College. This online module covers alcohol and motivation, standard drink size, blood alcohol concentration, and key strategies for those that choose to drink along with those that choose not to drink. The module also outlines real-life scenarios, university policies, and on and off-campus resources that are geared to assist you during your time as a GW student. The training course will be made available in mid-July; a link will be emailed to students providing access to each course. Failure to complete the course will result in a transcript hold. For more information please visit student life.

GW LATE NIGHT

GW Late Night is a series of evening and weekend events that provide a space for students to have fun and socialize, explore new interests, and take a break from academics without the temptation or risks involved with drinking alcohol or being in an environment where alcohol is present. Visit Engage to find upcoming events. Email wellbeing@gwu.edu for more information.

OFFICE OF ADVOCACY & SUPPORT

The Office of Advocacy & Support (OAS) is committed to building a culture of care that empathetically supports, empowers, and respects the autonomy of GW community members. OAS fosters a community that values and promotes healthy relationships through confidential support and prevention programming.

OAS provides confidential services to GW community members designed to raise awareness and address the needs of those impacted by trauma or violence.

ADVOCATES PROVIDE:

• Emotional and administrative support, including coordinating interim measures, accommodations, and other supports.
• Psychoeducation on the impact of trauma and cycle of violence.
• Space to discuss and process feelings and reactions in confidence.
• Referrals and resources both on and off campus.

Contact information: 202-994-0442, oas@gwu.edu.
For more information, visit safety.gwu.edu/oas.

Note: OAS does not provide mental health counseling or legal advice.
The Office for Diversity, Equity and Community Engagement (ODECE) provides leadership, resources, and support to advance and sustain inclusive environments for faculty, staff, and students across the university. ODECE supports the GW community’s diversity and inclusion efforts in a number of ways:

- Campus climate
- Compliance
- Faculty and staff diversity
- Diversity planning
- Campus partnerships

**ODECE HOUSES THE FOLLOWING UNITS:**

- Disability Support Services (DSS) ([disabilitysupport.gwu.edu/](disabilitysupport.gwu.edu/))
- Honey W. Nashman Center for Civic Engagement and Public Service (Nashman Center) ([serve.gwu.edu/](serve.gwu.edu/))
- Multicultural Student Services Center (MSSC) ([mssc.gwu.edu/](mssc.gwu.edu/))
- Title IX Office ([titleix.gwu.edu/](titleix.gwu.edu/))

For more information, visit [diversity.gwu.edu](diversity.gwu.edu).

**DIVERSITY, EQUITY, AND INCLUSION ONLINE EDUCATIONAL MODULE**

GW is committed to providing educational opportunities to students, staff, and faculty that challenge us to learn more about ourselves and others. As new students at GW, you have an amazing journey ahead of you filled with curiosity and exploration. While you will grow each semester as a GW student, as you join us as a new member of our community we want to provide you with a foundation that offers you language, tools, and resources to engage in thoughtful conversations about diversity, identity, equity, justice, and inclusion.

You will receive an email invitation from the Office for Diversity, Equity and Community Engagement in late July/early August to complete the Diversity, Equity, and Inclusion Online Educational Module. All new students enrolling at GW are required to complete the online training. You are encouraged to connect your learning with your experiences inside and outside of the classroom.

We are eager for you to engage in the Diversity, Equity and Inclusion Online Educational Module, and welcome you to share any questions with the Office for Diversity, Equity and Community Engagement ([diverse@gwu.edu](diverse@gwu.edu) or **202-994-7297**).
TITLE IX OFFICE

The Title IX Office responds to reports of sexual harassment, sexual assault, dating and domestic violence, and stalking, provides supportive measures to individuals affected by these issues, and provides prevention education university-wide to promote an inclusive educational atmosphere free from discrimination, harassment, and violence.

The Title IX Office is a private, but not confidential resource. Community members are entitled to support from the university regardless of whether they choose to file a formal complaint or pursue a formal resolution of their case. The Title IX Office can be reached at titleix@gwu.edu or at (202) 994-7434.

SEXUAL HARASSMENT PREVENTION TRAINING AND WORKSHOPS

The Title IX Office provides resources, training, and reporting options to students, faculty, and staff to address concerns related to sexual harassment, sexual assault, domestic and dating violence, stalking, and retaliation. Each fall semester, all incoming undergraduate students are required to participate in an online and a live sexual harassment prevention program to be able to register for spring semester classes.

Steps to Complete:

1. Part 1 – Online training provided by Everfi.
2. Part 2 – A live workshop that takes place during Orientation.
3. Part 3 – A course evaluation will be emailed to you (complete after the workshop).

For more information, please visit the Title IX Office’s website (titleix.gwu.edu).

These modules and training are a requirement for all incoming students to complete in order to register for Spring 2023 courses. A registration hold is placed on their account if not completed by October 31.
Campus Recreation

Campus Recreation is committed to providing sound programming for the university’s diverse community in the areas of intramural and club sports, fitness and wellness instruction, and information recreational opportunities.

Lerner Health and Wellness Center, also known as HelWell, is located on the corner of 23rd and G Street and is free for all GW students to use. HelWell has two gymnasiums with two basketball courts each, three-lane lap pool, two racquetball suites, squash suites, fitness center, and multipurpose rooms. There are also locker rooms, lounge areas, a lobby, parking, and administrative areas.

Please be aware that the Lerner Health and Wellness Center will be offline for a portion of the fall semester to undergo a renovation. During that time Campus Recreation will be offering a combination of virtual and in-person fitness options in various locations on the Foggy Bottom and Mount Vernon campuses. Additional opportunities to participate in drop-in fitness classes, personal training, small group training and wellness programs will be available through Campus Recreation. Some Intramural Sports leagues will be offered in-person on the Mount Vernon Campus. Club teams will also practice and compete on the Mount Vernon Campus as well as at the St. James Sports Complex in northern Virginia, which is only a short drive away.

Please visit campusrecreation.gwu.edu for updates.

INTRAMURAL AND CLUB SPORTS

GW offers 14 different intramural sports for students looking to benefit from some athletic competition (not to mention the fun), while remaining focused on academics and other aspects of life as a college student.

To learn more, visit campusrecreation.gwu.edu/intramural-sports.

GW offers 41 club sports, which are registered student organizations and established and managed by current students. Teams range from basketball to ultimate frisbee with many co-ed options.

To learn more, visit campusrecreation.gwu.edu/club-sports.

You can also find more information about each club sport on Engage, the platform used to manage GW’s student organizations and a great resource for finding out about upcoming events (go.gwu.edu/gwengage).

FITNESS AND WELLNESS

Campus Recreation offers various programs to promote the health and fitness of GW students and LHWC members. Workout in our state-of-the-art fitness center, take a group fitness class or weight train with a personal trainer. With a wide variety of classes to choose from, GW Group Fitness will help you stay motivated, increase energy levels, and have more fun with your workouts. Most importantly, have fun and build sustainable and positive health habits that will stay with you for a lifetime! Our fitness and wellness programs prioritize safe and functional movement and do our best to accommodate all bodies.

To learn more, visit campusrecreation.gwu.edu/fitness-wellness.
LIVING ON-CAMPUS

WE ARE EXCITED TO WELCOME YOU INTO OUR HALLS AND ON TO OUR CAMPUS! LEARN MORE ABOUT THE RESIDENCE HALLS, WHO’S WHO IN THE RESIDENCE HALLS TO SUPPORT YOU, POLICIES AND PROCEDURES TO KEEP YOU SAFE, AND MORE.
GW aims to promote residential experiences rooted in vibrant communities where students can learn, grow, and feel at home. Students will be inspired to form lifelong connections; advance their personal, academic, and professional goals; and engage with all the university and DC offer.

TRANSFER STUDENTS: A GUIDE TO UPPERCLASS RESIDENCE HALLS.
As a student transferring into GW from another college/university, you will live in one of the residence halls designed to house upperclass students. Upperclass students have many different options when it comes to living on-campus at GW. Check out the halls available to you at the Campus Living website.

FOGGY BOTTOM CAMPUS - FIRST-YEAR RESIDENCE HALLS

Lafayette Hall  Madison Hall  Mitchell Hall
Potomac House  Thurston Hall

MOUNT VERNON CAMPUS - FIRST-YEAR RESIDENCE HALLS

Clark Hall  Cole Hall  Hensley Hall
Merriweather Hall  Somers Hall  West Hall
CAMPUS LIVING & RESIDENTIAL EDUCATION

Campus Living & Residential Education (CLRE) is composed of professional staff, faculty, and student staff who work in collaboration to support all aspects of residential living; creating safe, supportive, and inclusive communities where students can thrive.

College is a time to grow, discover yourself and the world around you, and develop long-lasting relationships. GW has five residential neighborhoods, with unique traditions and identities, designed to give students the opportunity to connect with other students and realize their full potential through a wide range of programs, activities, and support services. GW’s residential neighborhoods include North Village, East Commons, South Square, West Way, and the Mount Vernon Campus.

LIVING LEARNING COMMUNITIES

GW is a community of scholars, and Living-Learning Communities (LLCs) allow students to have shared experiences that bring critical thinking and reflection beyond the classroom and into their residential experience. LLCs bring students together under an interest or academic program and provide the opportunity for students to immerse themselves into subjects on a deeper level through intentionally built opportunities for involved learning. Research shows that students who participate in LLCs have a smoother transition to college, both academically and socially, greater engagement with their campus community, and higher levels of academic self-confidence and persistence. Working closely with faculty and staff, our programs combine passion areas with living, resulting in an even greater sense of purpose for our students. Check out our Living Learning Communities page to learn more about this opportunity!

Community Coordinators (CC): full-time professional staff who live in a residence hall, provide student support and mentorship, plan programs and experiences, respond to crises and after-hours student needs, advise hall councils, and supervise student staff.

Faculty in Residence (FiR): GW faculty who live in a residence hall, provide student support and mentorship, and facilitate social and intellectual experiences for residents.

Student Staff: More than 200 students across nine unique student-staff positions support our students living on campus through community building, programming, peer mediation, and more.

Hall Council: Student-led hall governments that advocate on behalf of a configuration of buildings and provide social experiences. All Hall Councils together form GW’s Residence Hall Association (RHA).

RHA: GW’s Residence Hall Association, an organization created to support and enhance the residence hall experience through advocacy and community building. RHA works with student leaders from each residence hall to better our community while creating opportunities for members to build connections and grow in their leadership.

NRHH: GW’s National Residence Hall Honorary chapter, a leadership-based organization of exemplary residential students who value recognition and service. NRHH works with students across campus to promote service and recognition in the residence halls.
MAIL & PACKAGES

You may use a vendor of your choosing to ship belongings directly to campus. Items must be clearly labeled and sent to the appropriate mailing address for your residence hall.

Belongings may be shipped to campus prior to move-in. Details about this process will be provided in July and communicated via email to the student.
CAMPUS SAFETY

COVID-19 PROTOCOLS AND PROCEDURES
We are taking productive steps to prepare for our students’ arrival to campus for the fall.

Students who will be living in our residence halls in the upcoming academic year will be required to follow the District of Columbia and the university’s health guidance and directives so that we can maintain a safe and healthy environment for everyone.

In the coming months, the university will be updating its Commitment to Health and Wellbeing and the COVID-19 Campus Health and Wellbeing Policy, which will serve as the primary campus resource for what will be expected for all members of our campus community. Please continue to watch for additional updates from the university throughout the summer.

GW GUARDIAN APP
GW has a custom personal safety app through the Rave Guardian platform. GW Guardian has a number of features including Safety Timers, links to call and message the GW Emergency line, and a directory of important resources. Download on Google Play or the Apple App Store.

GW SAFE RIDE
Provides a free and safe ride to/from Foggy Bottom Campus residence halls and academic buildings during late night hours for students, faculty and staff who prefer to not walk alone. Download the GW Rider app in the Apple App Store or Google Play.

EMERG (GW EMS)
EMeRG (GW Emergency Medical Response Group) is a student run and operated volunteer EMS agency serving the greater Foggy Bottom community and the GW Mount Vernon campus. As nationally certified EMTs, EMeRG and its members are committed to providing free pre-hospital care and transport to the GW community. If you are sick or injured on or around campus call the GW Emergency Line (202) 994-6111.

GW POLICE DEPARTMENT (GWPD)
The George Washington Police Department (GWPD) provides residential hall security and patrol services for both the Foggy Bottom and Mount Vernon campuses and provides crime prevention education to the GW community. If you are in need of GWPD’s services call the GW emergency line (202) 994-6111 or non-emergency line (202) 994-6110. Students: be sure to add both the emergency and non-emergency phone numbers to your phone. GWPD also encourages you to make a plan in case of emergencies.

GW TEXT AND EMAIL ALERTS
GW uses a number of tools to notify students, staff, faculty, and community members of emergency situations and safety-related information. All students will automatically receive GW email alerts. If you listed your mobile number during the admissions process, your mobile number will also automatically receive text alerts. If you would like to add a parent or family member to also receive text alerts, you can customize your GW alert settings.

We encourage you to have a plan when you go out:
• Know how you will get home that night, and
• Let someone know where you are going, who you are with, and what time you plan to return
For more information, visit safety.gwu.edu.
TRANSPORTATION

PARKING ON-CAMPUS
First- and second-year students are prohibited from bringing vehicles to the Foggy Bottom and Mount Vernon campuses, other than in exceptional circumstances. For more information, download GW’s policy regarding on-campus student parking.

Visitors and guests of the Foggy Bottom campus can be accommodated at the Science and Engineering Hall Garage, University Student Center Garage, and G Street Garage. Visitors and guests of the Mount Vernon campus can be accommodated in the University Student Center Garage. Daily rates and hours vary by garage.

MOUNT VERNON EXPRESS
GW’s free shuttle provides a convenient way to travel between the Foggy Bottom and Mount Vernon campuses. The Foggy Bottom stop is located in front of Tompkins Hall (23rd St between G & H Streets). The Mount Vernon campus stop is located in front of Somers Hall.

MVC LATE NIGHT LYFT
The George Washington University has partnered with Lyft rideshare service to offer students living on the Mount Vernon Campus with reliable late-night transportation from midnight to 7 a.m. between the Foggy Bottom and Mount Vernon campuses. This free service will provide Mount Vernon Campus students who are 18 and over with up to 30 Lyft rides per month to help them with their late-night commute between campuses.

GW-Lyft is a free, reliable late-night transportation option between the Foggy Bottom and Mount Vernon campuses students can utilize between midnight and 7 a.m.

Rides between campuses are for standard Lyft rides only, not to be used with Lyft XL.

Each eligible student receives a pre-loaded set of 30 ride vouchers on the first day of each month during the academic year (August - May).

Remaining rides do not roll-over from month to month.

While the ride itself is free, driver tips are not included. A student can add a tip when securing the ride or afterwards through the GW-Lyft app.

Vouchers cannot be transferred or passed along to another GW student.

Eligible students will receive an invitation to sign-up for their GW Lyft account during orientation week. Please see the Transportation and Logistics Services Website for more details.

U•PASS
The George Washington University has joined the Washington Metropolitan Area Transit Authority’s (WMATA) U•Pass program, providing full-time students with unlimited use of Metrorail and Metrobus for a discounted, flat fee.

Undergraduate students enrolled in on-campus classes (eg: not study abroad or traditional online only programs) within the Columbian College of Arts & Sciences, Elliott School of International Affairs, GW’s Business School, Milken Institute School of Public Health and School of Engineering & Applied Science are included in this mandatory U•Pass
public transit program. Eligible undergraduate students will automatically be assessed the subsidized mandatory student fee on their eBill each fall and spring enrolled.

Students will receive their U-Pass card at the beginning of the semester at Move-In check in. Pick up dates and locations will be announced closer to the start of classes. For more information, visit go.gwu.edu/upass.

GETTING AROUND
Washington, D.C. is a great city to explore, with many attractions and neighborhoods to visit. The proximity to all of the culture and resources this city has to offer is likely one of the reasons why you chose to come to GW.

The Metro transit system is a great way to get around D.C. Here are some tips when utilizing services:

- Pick-up your GW U-Pass at the beginning of the semester for unlimited use of Metrorail and Metrobus.
- Be aware of your surroundings and never run after/next to a bus or metro car.
- Regional commuters are serious about escalator etiquette. Stand to the right, walk on the left.
- Become familiar with the system’s COVID-19 response and their latest requirements for riding their Metrobus and Metrorail services.

Rideshares (such as Uber and Lyft) are generally very common in D.C., especially in our urban downtown area. Currently, rideshare services are operating in limited capacity, as it gets closer to fall, you may want to research and review a company’s safety guidelines, especially as it relates to COVID-19 safety measures. If you do request a rideshare:

- Ask the driver his or her name before entering the vehicle instead of asking if they are here for you.
- Compare the photo provided by the rideshare company with the driver.
- Ensure the car you are entering matches the car and the license plate number indicated by the rideshare app.

Capital Bikeshare is a bike sharing program in the district that allows customers to rent bikes throughout the city and surrounding areas. GW is proud to partner with Capital Bikeshare to provide all currently enrolled students a $25 annual membership.

To enroll in the program, visit transportation.gwu.edu/capital-bikeshare-partnership and follow the steps provided.

To locate docking stations on and around campus, check out the Capital Bikeshare System Map.

Interested in bringing your bike with you? GW offers bike racks in most Foggy Bottom and Mount Vernon campus residence halls. If you do bring your bike, be sure to register it online through D.C.’s bike registration program. (mpdc.dc.gov/page/bicycle-registration-district-columbia)
A NEW SCHOOL MEANS NEW TECHNOLOGY AND SYSTEMS. LEARN ABOUT TECHNOLOGY AVAILABLE, WEB PLATFORMS, AND MORE!
**TECHNOLOGY @ GW**

**Internet Access:** Wireless internet access is available through your GW NetID and password. Networks are also available for certain guests. Find out more at [it.gwu.edu/internet-access](http://it.gwu.edu/internet-access).

Equipment is available for wired internet in residence halls. Sign out the equipment through the IT Support Center at [it.gwu.edu/support](http://it.gwu.edu/support). Streaming devices (Apple TV, Playstation 4s, Roku devices, Nintendo Switches, and Xbox Ones) may connect to GW’s wireless entertainment network. You may learn more about connecting your entertainment devices at [it.gwu.edu/gwconnect-formerly-gwplay](http://it.gwu.edu/gwconnect-formerly-gwplay).

**Email:** GW uses Google on the gwmail.gwu.edu domain for student email accounts. GWMail features enhanced storage capabilities and access to GWCalendar. Visit [it.gwu.edu/email-calendar](http://it.gwu.edu/email-calendar) to learn more.

**Printing:** GW’s wireless printing service enables you to print from anywhere on or off campus, and even from your smartphone or tablet. A print credit is allocated to each enrolled GW student at the beginning of the academic year to make printing affordable. Learn more at [printing.gwu.edu](http://printing.gwu.edu).

**Support:** GW Information Technology (GW IT) offers several options for technology support, making it easy to get the help you need when you need it most. Visit [it.gwu.edu/support](http://it.gwu.edu/support) for walk-in hours, phone number, and email contact. Submit an online ticket at [go.gwu.edu/itrequest](http://go.gwu.edu/itrequest).

**Academic Software and Technology:** Software packages like Microsoft Office 365, SAS (Statistical Analysis System), Adobe Creative Cloud applications, and communications apps are available to all GW students through GW IT. Learn more at [it.gwu.edu/software](http://it.gwu.edu/software). Some software is made available by your school. Learn where to access these applications at [go.gwu.edu/academicsoftware](http://go.gwu.edu/academicsoftware).

All GW students have access to Zoom, Webex and MS Teams for collaborating over the web. A comparison of web conferencing tool capabilities may be found at [it.gwu.edu/web-conferencing-comparison](http://it.gwu.edu/web-conferencing-comparison).

Learn more at:
- [it.gwu.edu/zoom](http://it.gwu.edu/zoom)
- [it.gwu.edu/microsoft-365-training](http://it.gwu.edu/microsoft-365-training)
- [it.gwu.edu/webex-students](http://it.gwu.edu/webex-students)

A video production studio, powerful specialized computers, and the knowledge of how to create professional multimedia projects is available in the CREATE Digital Studio. Cameras, digital recorders, VR headsets, and more are available to check out. Learn more at: [library.gwu.edu/create](http://library.gwu.edu/create).

**Computer Labs:** Computer labs, often with specialized software and higher computing power are available to all GW students in Gelman Library, Eckles Library, and some academic buildings. Learn more at [go.gwu.edu/academicsoftware](http://go.gwu.edu/academicsoftware).

Any student with a NetID has access to virtual computer lab resources. Learn more at [academiccommons.gwu.edu/virtualcomputerlab](http://academiccommons.gwu.edu/virtualcomputerlab).

The laptop loaner service is now available through GWCares at [studentlife.gwu.edu/care-team](http://studentlife.gwu.edu/care-team).

**Streaming IPTV and HBO Max:** GW students living in on-campus housing can watch and record live high-definition TV. You can access streaming services from a variety of devices. Learn more at [it.gwu.edu/tv](http://it.gwu.edu/tv).

**Technology Purchase Recommendations:** GW provides minimum hardware specifications as suggestions when you are considering purchasing a device for your time at the university. Learn more at [go.gwu.edu/GWtech](http://go.gwu.edu/GWtech).

**Technology Systems and Software Status:** You may check on the current status of all GW provided software and systems at [status.gwu.edu](http://status.gwu.edu). You may also use this service to subscribe to alerts on the systems and applications you are most concerned with.
WEB COLLABORATION AND ONLINE CLASSES

GW provides a variety of web and collaboration tools for GW students, faculty, and staff. These services can be used to manage documents and online content, host virtual meetings and events, and communicate with other GW community members. You might find yourself using Webex and Zoom for student organization meetings and for attending virtual events and Blackboard Collaborate when attending class online.

WEBEX

Webex is a collaborative meeting tool that allows for real-time video meetings and sharing of computer content over the web. Features include multi-point video conferencing and desktop share to meet for a group project, catch up with friends or make a video call home.

To begin using your Webex account, login to gwstudent.webex.com with your GW email address (NetID@gwu.edu) and corresponding password.

ZOOM

Zoom is a reliable cloud platform for video, voice, content sharing, and chat and runs across mobile devices, desktops, telephones, and room systems.

To begin using your Zoom account, login to gwu-edu.zoom.us with your GW email address (NetID@gwu.edu) and corresponding password.
BLACKBOARD (BLACKBOARD.GWU.EDU)

Blackboard is a learning management system that faculty and staff use to share information and post class materials. As a student, you will use Blackboard for classes throughout your time at GW. Log in with your NetID (NetID@gwu.edu) and password.

BLACKBOARD COLLABORATE

Blackboard Collaborate is a real-time video conferencing tool. Collaborate with the Ultra experience opens right in your browser, so you do not need any additional software to join a session.
As a GW student, you will be using a variety of different platforms to do business, like checking your email, paying your bill online, and completing assignments for class. We want to introduce you to these commonly used systems so you’ll be familiar with them.

**GW EMAIL AND CALENDAR (WWW.GWU.EDU/EMAIL)**

Access your GW email and calendar by logging in with your GW email address (NetID@gwu.edu).

**GWEB INFORMATION SYSTEM (IT.GWU.EDU/GWEB)**

GWeb Information System (also referred to as BanWeb or GWeb) allows access to important processes such as student accounts management, financial aid communication, and course registration. Log in using your GW email address (NetID@gwu.edu) and email password. GWeb is accessed via it.gwu.edu/gweb.

Once you are logged in, you will see tabs for the following information:

- **Registration Menu** brings you to the registration portal and your schedule
- **Student Records Information Menu** brings you to transcripts, grades, and DegreeMAP
- **Student Accounts Menu** brings you to the eBill Portal where you can view your account, set up a refund profile, and make payments or grant access to others to make payments for you
- **Financial Aid Menu** brings you to your financial aid package, cost of attendance, and Federal Work Study information
Note: If someone other than the student will be making payments to the university, the student should add them as an authorized user on the account. The student is the only one with the ability to grant access to the eBill system (studentaccounts.gwu.edu/how-access-ebill-system).

Please note: Completing a FERPA form does not give online access to the eBill; the student grants access through the eBill system.

**ENGAGE (GO.GWU.EDU/GWENGAGE)**

GW’s gateway to all student organizations is Engage, an online platform that allows students to connect with opportunities for involvement. It’s where you can access information about any student organization at GW and find out about events and activities happening on campus. To begin using GW Engage, login to go.gwu.edu/gwengage using your GW email (NetID@gwu.edu) and corresponding password. Use the search bar to search by organization name, event name, keyword, or category.
FixIt is GW’s facilities request portal, which you can use to submit facilities issues in your residence hall. A facilities issue can be anything from an overflowing sink to a large pile of trash in a common space. You’ll be prompted to provide your GW NetID and password. Check the webpage icons and choose the service area that best fits your need. If you have questions or need to update your request, use the Comment Stream and a GW Facilities representative will get back to you.
STUDENT LIFE

Student Life brings learning out of the classroom and our innovative programs are personalized to ensure you achieve academic success. From first-year students to first-generation students and transfer students, Student Life tailors services and events to reach all populations.

District Connections or GWxDC links you with the cultural and intellectual diversity that Washington, D.C. has to offer. This program offers access to activities designed to connect new students to each other and this vibrant city.

GW offers over 500+ student organizations ranging in array of causes, identities, and interests. Explore more on Engage.

Fraternity and Sorority Life (FSL) is home to more than 2,000 students, 33 chapters, and four councils. GW FSL has over 155 years of history and is one of GW's longest-standing traditions.

Comprised of the University Student Center, District House, Outdoor Spaces, and the Mount Vernon Campus, the Student Center offers a variety of spaces for students to host events, hang out with friends, study, or grab food.
Honey W. Nashman Center for Civic Engagement and Public Service works to integrate civic engagement into GW’s educational work. During Orientation you will spend some time completing service projects while learning more about the communities and people you’re serving. There are endless opportunities to explore through the Nashman Center!

The Multicultural Student Services Center (MSSC) is dedicated to building a welcoming, enriching, and inclusive environment at GW. The MSSC provides students space and resources to explore their various identities and events to celebrate and learn about different cultures and communities.

One of the ways the Office of Student Life supports the community of engaged students is by creating meaningful traditions and cornerstone events such as Weeks of Welcome, Midnight Breakfast, Vern Harvest, and more!

MAKE A PLAN TO VOTE

Make your voice heard by creating a plan for voting during your time at GW. If you are an out-of-state student, decide if you plan to register in your home state or in the District of Columbia. GW students can sign up to receive election reminders, register to vote, and apply for their absentee ballot at gwu.turbovote.org. TurboVote makes sure students always know when elections are happening and have the information they need to vote with confidence.

For more voting resources visit GW Votes at serve.gwu.edu/gw-votes.
