Your Guide to New Student Orientation
Welcome to GW! As a resident of Potomac Hall and Lafayette Hall, you are assigned the George Track Schedule. This guide includes your schedule, session and event descriptions, and reminders. Please keep this on hand as you go through Orientation this week, August 22-29.

**HOW TO READ YOUR SCHEDULE ⭐**

⭐ It is important that you follow the schedule provided for your track. Each track has a slightly different schedule.

⭐ Attendance at Orientation events is mandatory (if you have to miss part of an event due to a COVID test appointment, this is acceptable).

⭐ Please sign up for one excursion per District Connections time block on your orientation schedule. When you identify the excursion you'd like to attend, simply click "I will be attending" under the RSVP to Event section, and then click the blue button "RSVP to Event." You will be automatically registered for the event and receive a confirmation email.
  - Event registration is first come, first served. Once an event reaches capacity it will be closed for additional registrations. We will not maintain waitlists for these events, but you are welcome to check back to see if cancellations have created open spots.
  - Your registration here indicates to us that you plan to attend so we will reserve a spot for you accordingly. If your plans change, please cancel your RSVP by navigating back to the event and changing your response so that another student may attend in your place.

⭐ Some events are denoted with an icon and all events are denoted by one or more of the eight dimensions of well-being. Read on to learn more about what this means.
REMINDERS ★

✔️ Download the GW mobile app ([https://it.gwu.edu/gw-mobile](https://it.gwu.edu/gw-mobile)), click the Orientation icon, click View Schedules, and use the Filter feature to view your track schedule. This is where the most up-to-date information will be located during Orientation Week!

✔️ Download the GET mobile app ([https://dining.gwu.edu/](https://dining.gwu.edu/)) to see food options and all locations that take GWorld!

✔️ Add your GW Engage unique QR code (event pass) to your mobile wallet on your phone. You will need this to check in to certain events!

✔️ Keep your GWorld on you at all times!

*In the event of inclement weather, changes to event locations will be communicated via the GW mobile app Orientation schedule and via GW email (as applicable).*

ORIENTATION CHECK-IN ★

*All first-year students will check in for Orientation when checking in for move-in.*
We are dedicated to helping you prioritize your overall well-being. Throughout the Orientation schedule you will see the eight dimensions of well-being. Take the time to learn more about the university’s well-being initiative, Raise Up GW and why it is important.
