

GW ENGAGE

Searching for and Joining a Student Organization

Engage is the online student organization management platform at GW. All GW students are already in the system- you'll simply need to log on at go.gwu.edu/gwengage. Use your (netid)@gwu.edu email and associated password. If you can encounter any difficulties, please contact us at orghelp@gwu.edu.

Finding organizations is simple in Engage! To search for existing organizations, navigate to the *Organizations* tab in the toolbar at the top of your site when you log in. You will be shown all organizations by default. From this list, you can search for an organization by name using the search feature. If you aren't sure of the exact organization you are looking for, you can also explore organizations by Organization Category.

Alumni Affairs
The Alumni Affairs department seeks to connect current students with alumni for mentorship and campus spirit. We promote and hold events to help the campus community continue to grow and thrive.

Campus Ambassadors
Campus Ambassadors is composed of undergraduate students who host prospective students, serve as tour guides, and serve as representatives of the admissions office.

Campus Programming Board
CPB meets the diverse needs of our student body by offering a variety of educational and entertainment programs. If you enjoy interacting with people and would like to have a hand in planning events at Hometown...

Career Center
The Career Center helps students determine which career or education path they'd like to follow after graduation by identifying professional and personal development opportunities for students.

Center for Civic Engagement
The Center for Civic Engagement develops active citizenship among students, faculty, and staff by coordinating service efforts and facilitating networking among service leaders across campus.

Once you have found your organization of interest, click on its name to jump into the organization page to learn more about that organization.

GW ENGAGE

How do I join an organization on Engage?

1. Follow the steps above to find an organization that you are interested in.
2. When you land on the organization homepage, you will see a *Join* button under the organization's name.
3. Once you click *Join*, you will either be automatically added as a member or a membership request will be sent to the organization's officers to approve or deny, based on the organization's membership criteria. Whether or not you are automatically approved to join is dependent on the organization's settings.
4. Reach out to the organization directly to learn more about when their meetings occur and any useful information a new member might need.
5. If you don't see the *Join* button, this means that membership in that specific organization has been restricted by the campus administrators. If you do come across an organization you would like to join, but it does not have a *Join* button on the organization home page, we recommend sending a message to the organization using the *Contact* button.
