

GW ADVENTURE BOUND

HIKING + CAMPING

DAY ONE (Friday, August 20)

- ALL DAY: Move into your residence hall (home sweet home!)
- EVENING: Meet your student guides for the trip, staff or faculty learning partner, and all the other first year students attending the trip. We'll also look over what you are packing & get you fitted for any gear if you need to borrow some.

DAY TWO (Saturday, August 21)

- MORNING: Wake up and enjoy breakfast together before our adventure begins! Head out towards Shenandoah National Park, stopping for lunch and a hike on the way!
- AFTERNOON: Stop along the way for a beautiful hike. Enjoy the hike with a picnic lunch!
- EVENING: Reach our campsite! Set up camp and explore the area! Cook dinner before breaking into small groups. Rejoin to venture to the meadows to lay under the stars and look for shooting stars!

DAY THREE (Sunday, August 22)

- MORNING: Wake up and cook breakfast! Get ready for a hike to a waterfall!
- AFTERNOON: Check out the falls and enjoy lunch on the trail!
- EVENING: Enjoy some chill camp time and cook dinner! Get ready for a short hike to watch the sunset! Back to camp for small group and songs around the campfire!

DAY FOUR (Monday, August 23)

- MORNING: Wake up and get ready to enjoy the last full day in the park!
- AFTERNOON: Hike to one of the highest peaks in the park to enjoy an amazing view of the park! Lunch on the trail!
- EVENING: Head back to camp for dinner and a many s'mores around the campfire

DAY FIVE (Tuesday, August 24)

- MORNING: Wake up and enjoy our last breakfast at came together. Pack up camp and drive to our final destination in Shenandoah before heading home!
- AFTERNOON: Hike to one of the highest peaks in the park to enjoy an amazing view of the park! Lunch on the trail!
- EVENING: Arrive back on-campus and return any borrowed gear.

All outdoor experience levels welcomed! We will be hiking approximately 15-20 miles of easy-moderate hiking terrain over the course of the trip.

This is a sample itinerary, changes may occur with program updates. Participants will receive an updated itinerary closer to departure dates.
